Motion by Reid Duford and supported by Chris Clark to approve the minutes of the March 20, 2012 meeting. Motion approved 4-0.

Commission Comments: Sue Ensign said that the Lincoln Township board was looking into ideas and options on how best to use the additional land adjacent to the township hall. The township board had previously suggested a need for playground equipment, picnic tables, grills and other landscape and path improvements. The Planning Commission toured the property and suggested that a pavilion/picnic area would be nice, in that it could be rented for summertime parties and family outings. A pavilion would be relatively inexpensive to build and easy to maintain.

Old Business: The commission discussed completing the procedures section of the ordinances as it relates to customary fees and application processes.

New Business: None

Public Comments: No public in attendance

The meeting adjourned at 7:34 pm
